Collection Service

Available In The Following Areas:

- Gravesham & Dartford
- Medway & Maidstone
- Tonbridge & Malling
- Sevenoaks

Follow these instructions carefully

- 1 Once we have received your order and payment our collection team will be in touch to arrange a collection time suitable for you.
- 2 In the meantime disinfectant your denture with Steradent or something similar and seal it in a clear bag
- 3 Please print off a copy of your invoice or a note with your invoice number and contact details. Leave this with your denture for collection.
- 4 We operate a Covid-Safe collection & delivery service. You will be contacted approximately 1hr before collection.

Once we have your denture we will need it in our lab for a maximum of 24hrs before we deliver it back to you.

Please note: In the unlikely event that items are lost while in possession of the Denture Medics team, any compensation will be limited to the value of the order placed.
